To Whom It May Concern:,

The hair and make-up dept. of Grey's Anatomy would like to take this opportunity to say thank you for your kind and generous support for us with your product gifts and placement. The cast loves the product and is thrilled to get to try all the new things you have sent. We have enclosed a signed cast photo to show their appreciation. We look forward to a long and successful run for our show and again would like to thank you for your support.

Yours truly,
